**Vrbničko kolo** Vrijeme nastanka kruga, izrađenog od morskih oblutaka i razdijeljenog na osam isječaka, nije nam poznato. Krug je znak – crtolje za sva glagoljska slova, koja pripadaju najstarijem tipu glagoljskog pisma, trokutastoj glagoljici (IX. - X. st.).

**Vrbnik Wheel** The time of creation of the wheel, made of sea pebbles and divided into eight sections, is unknown. The wheel is a symbol/model for all Glagolitic letters belonging to the oldest, triangular type of
