

GRADIŠČANSKI  
HRVATI

Die Burgenländischen Kroaten

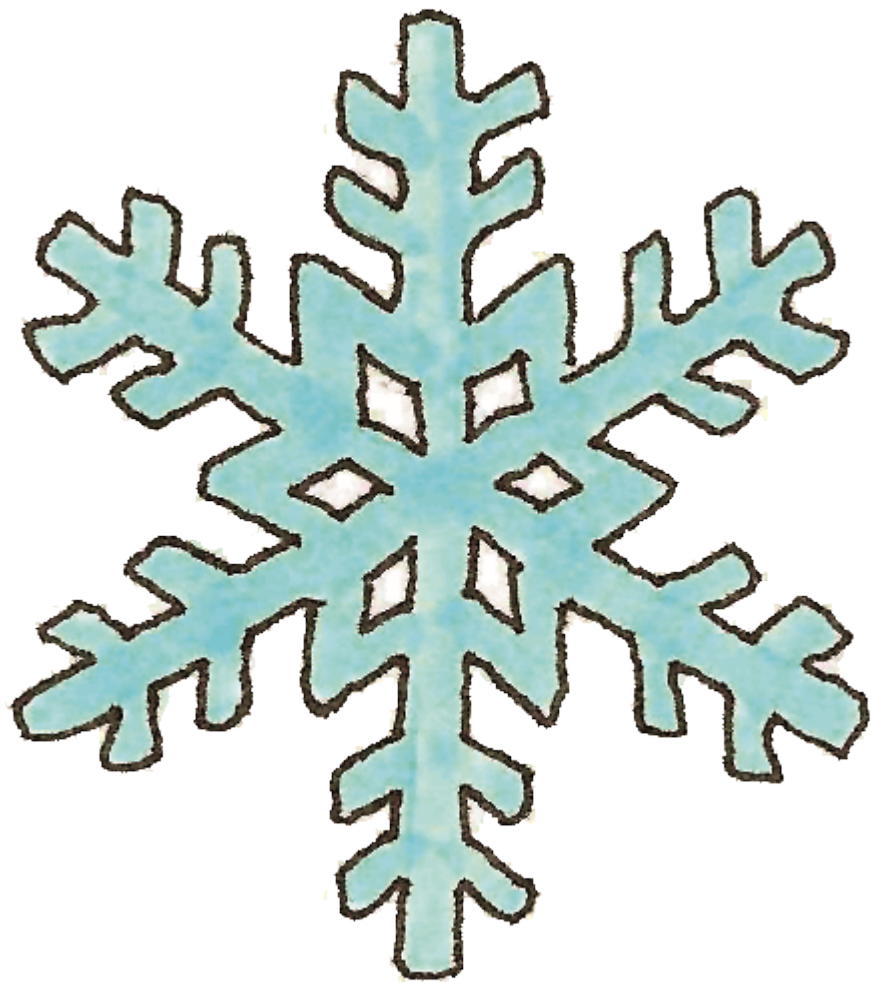

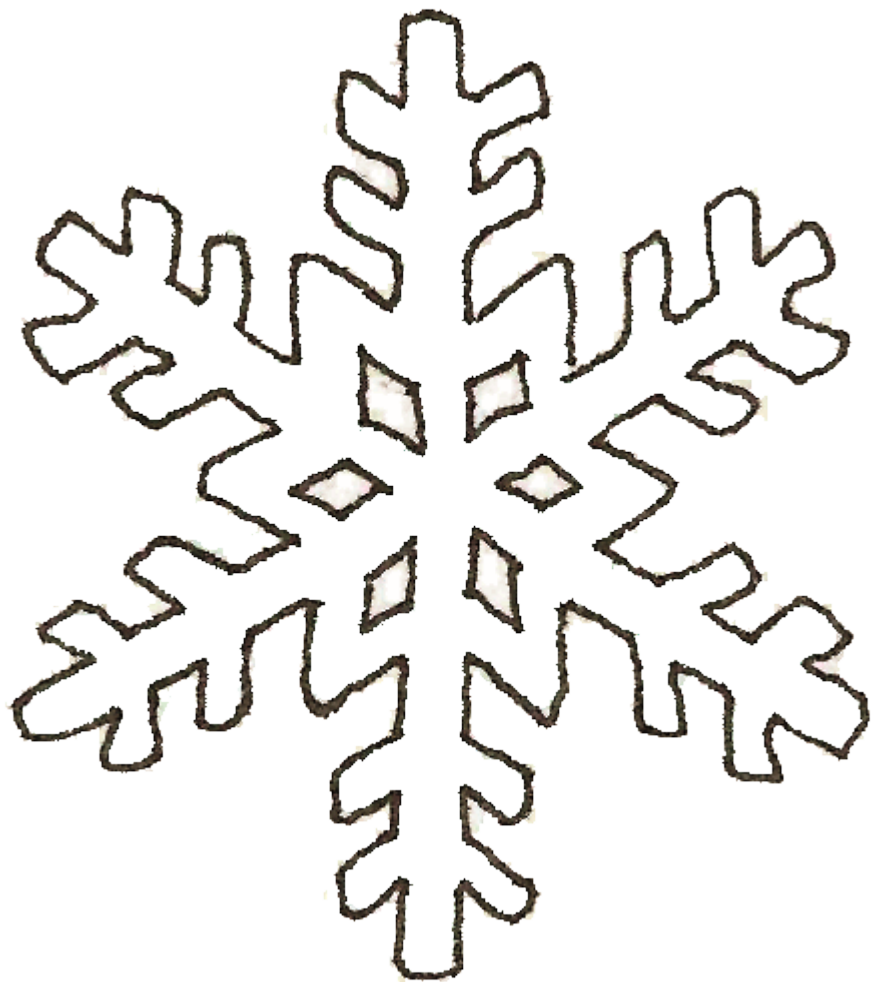

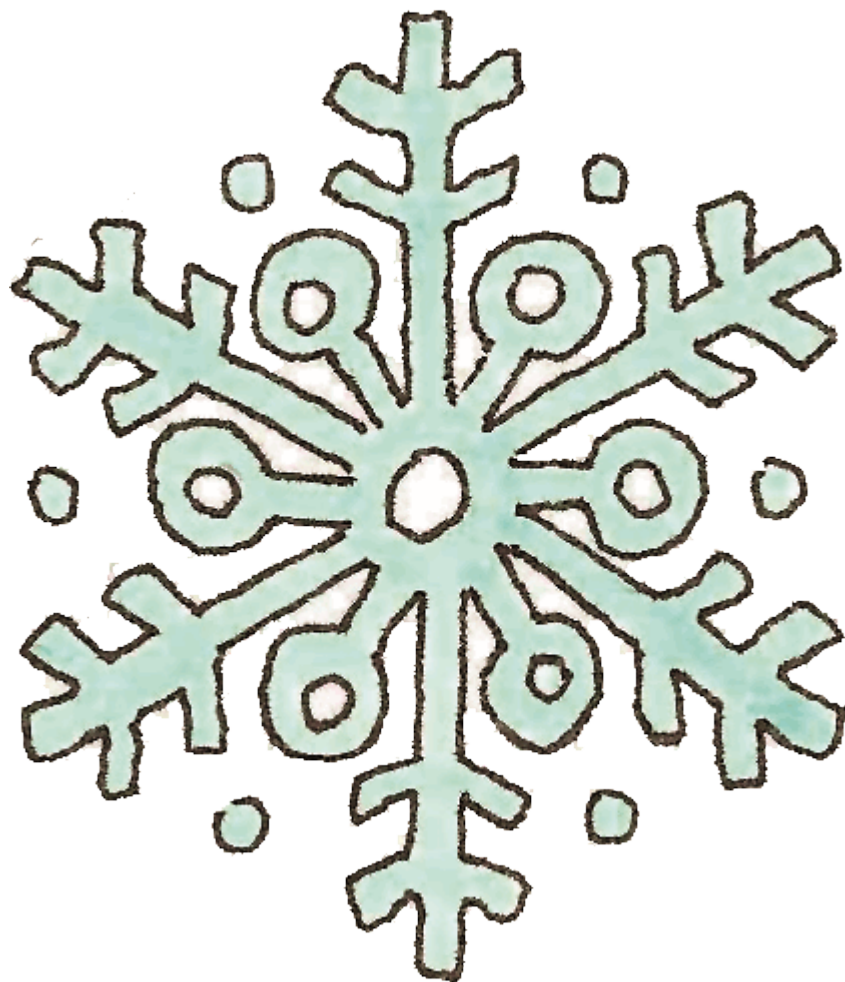

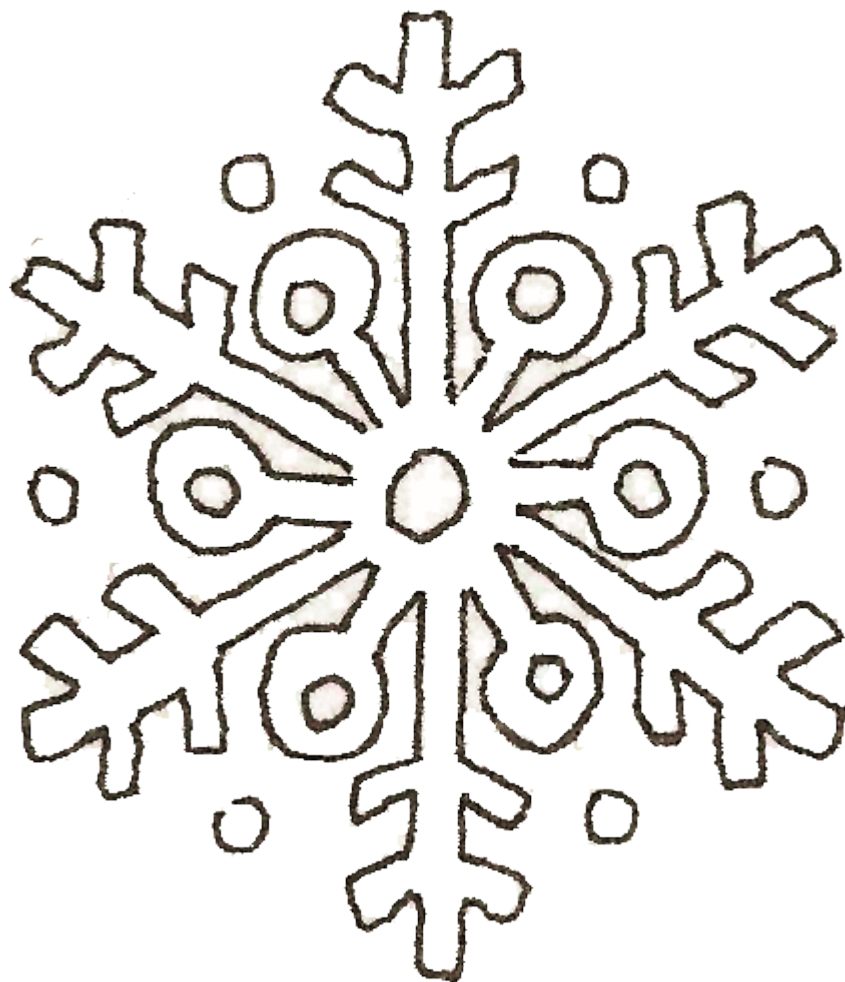

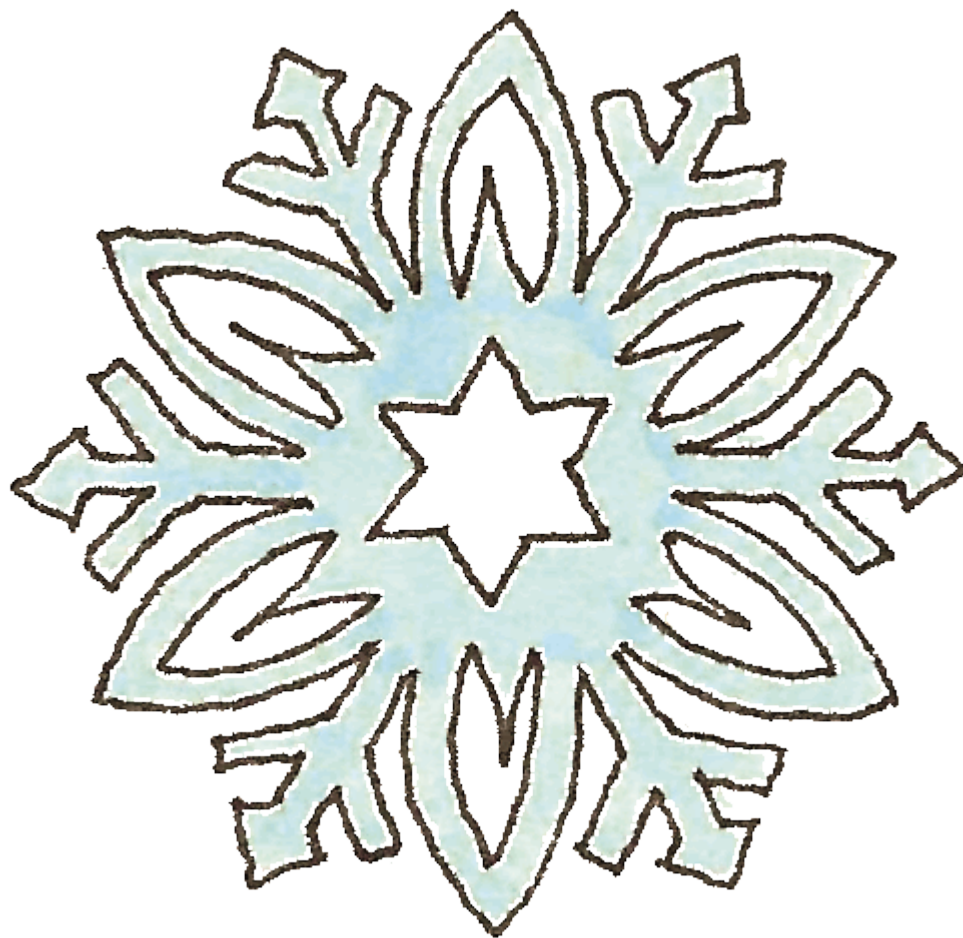

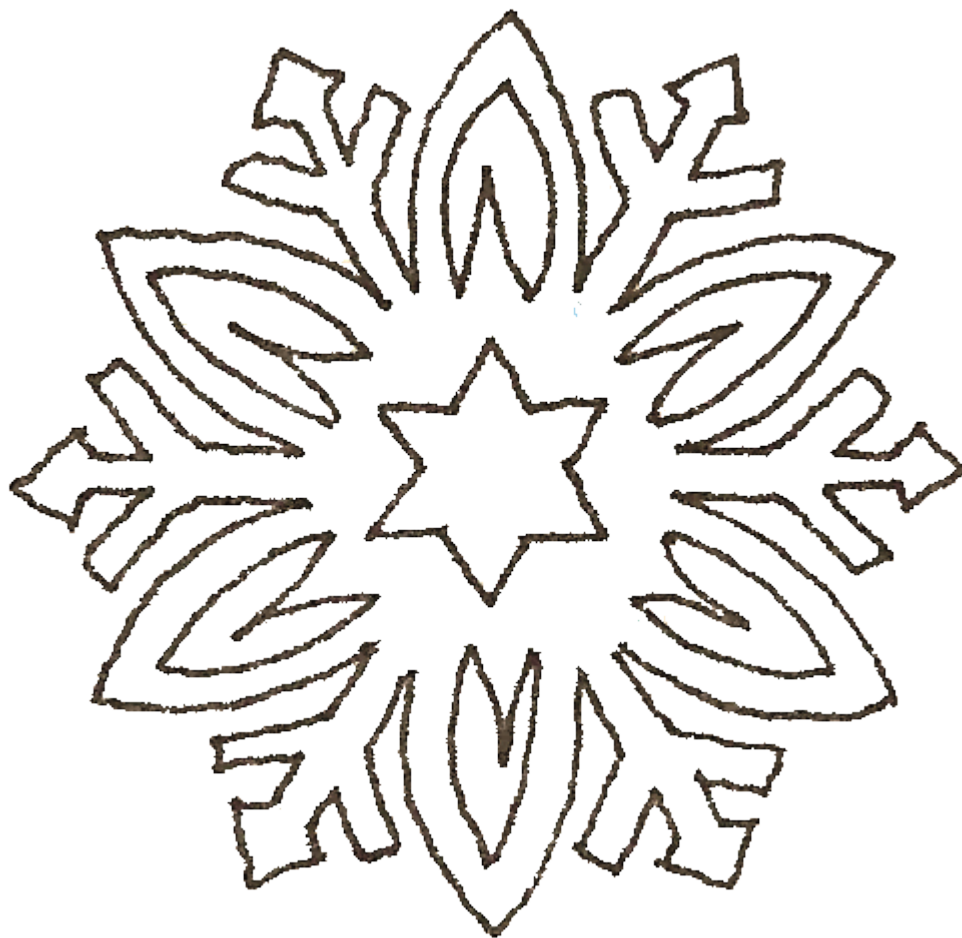

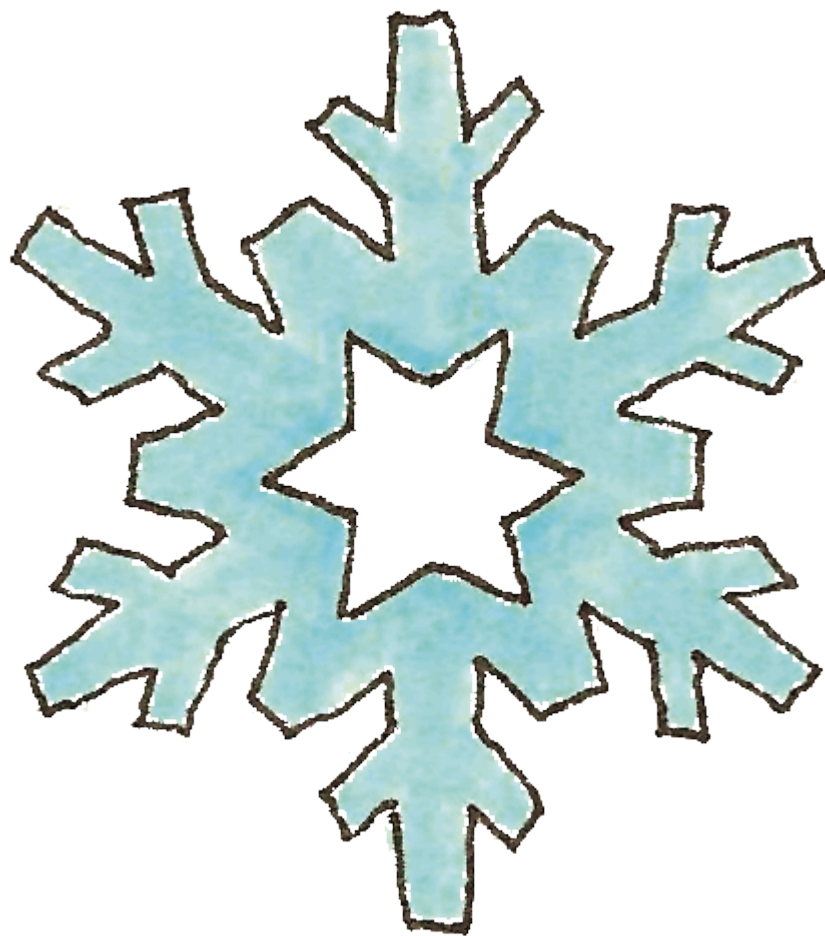

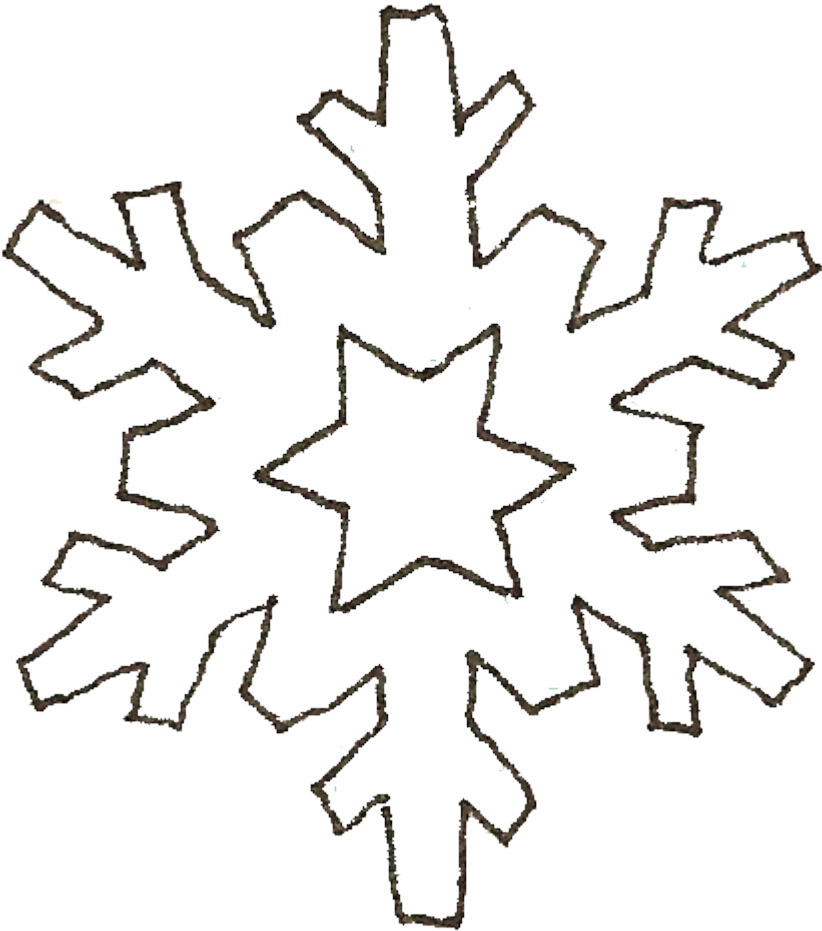

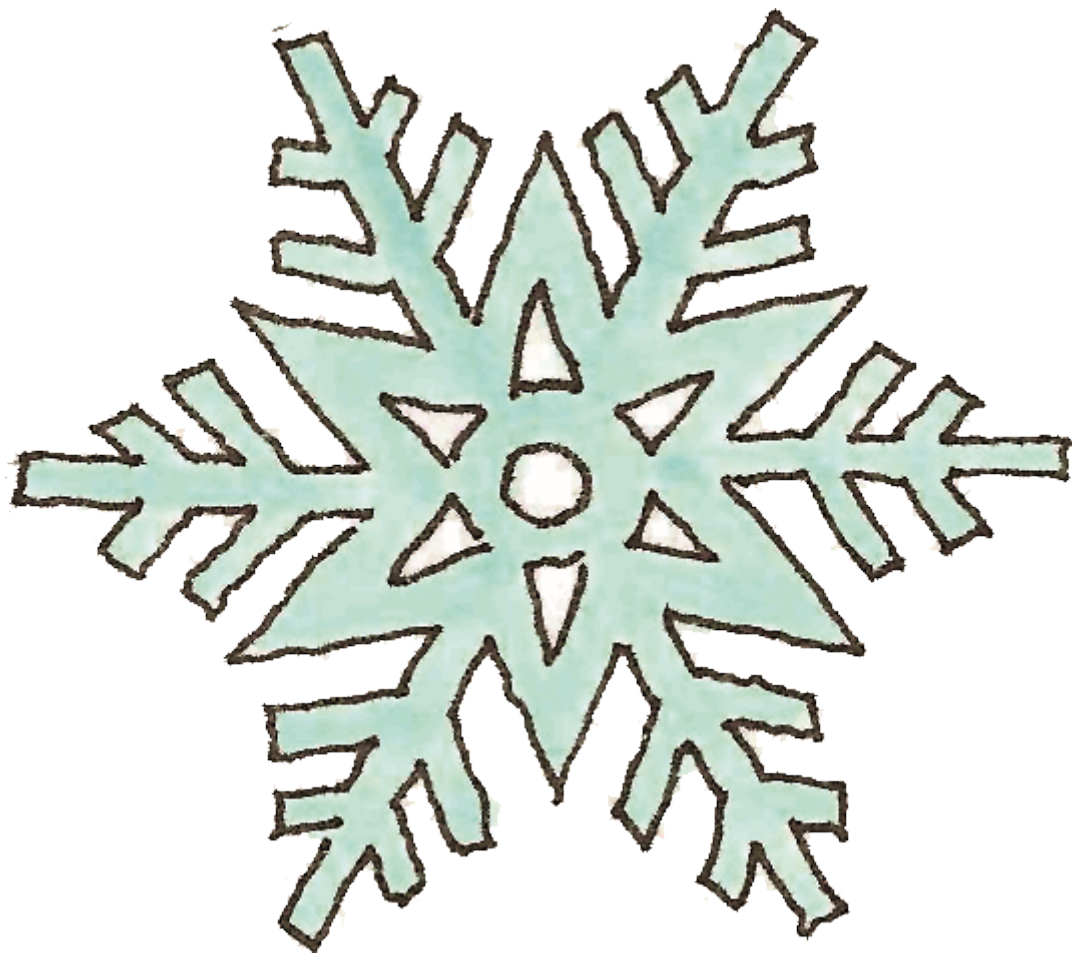

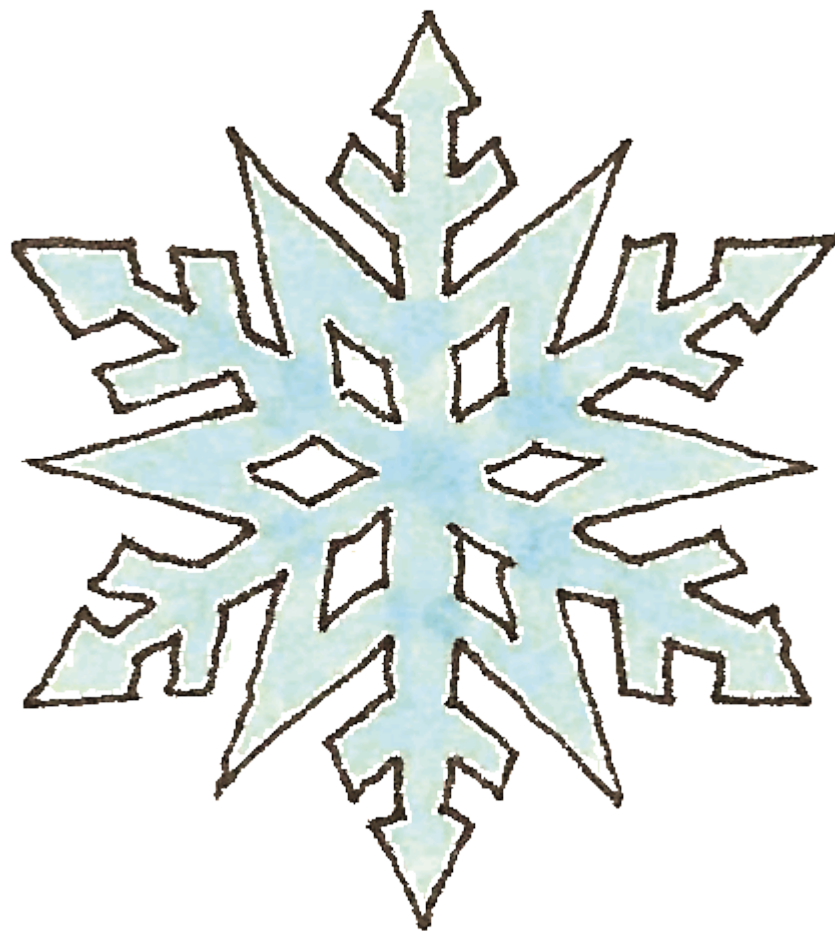

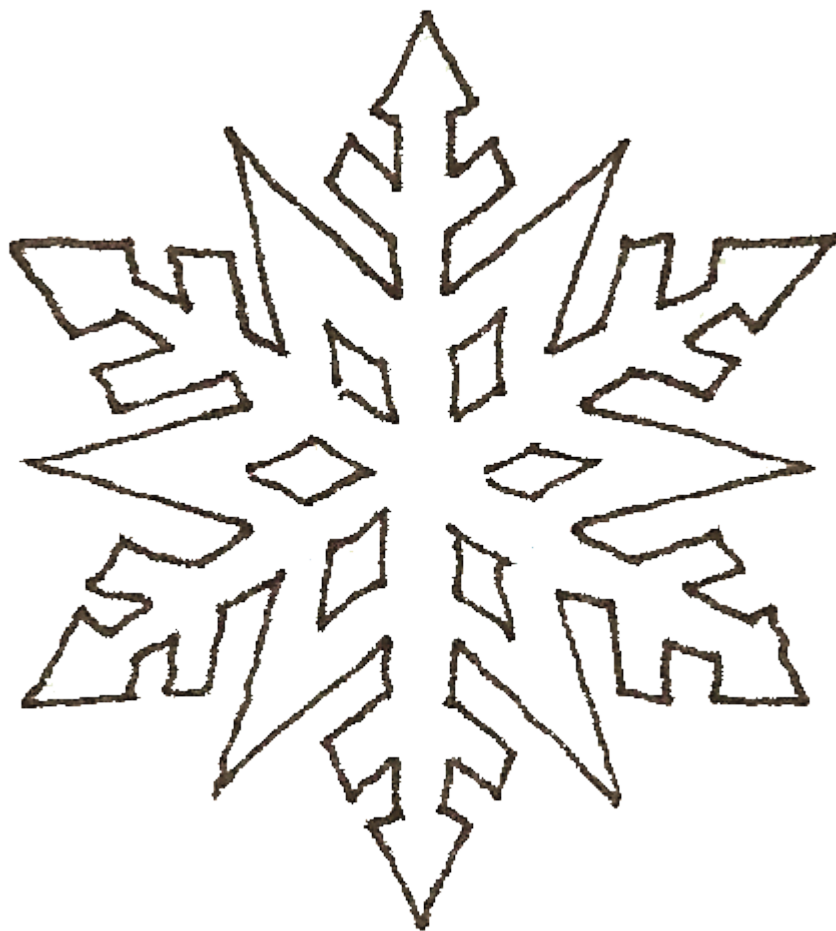

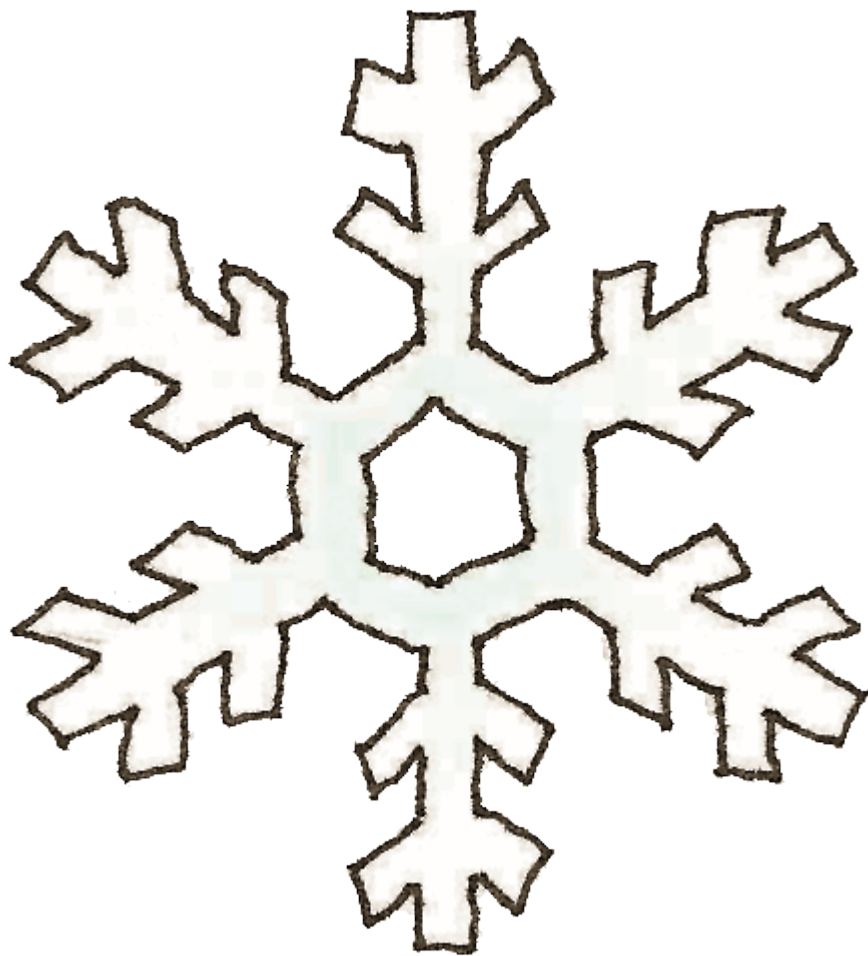

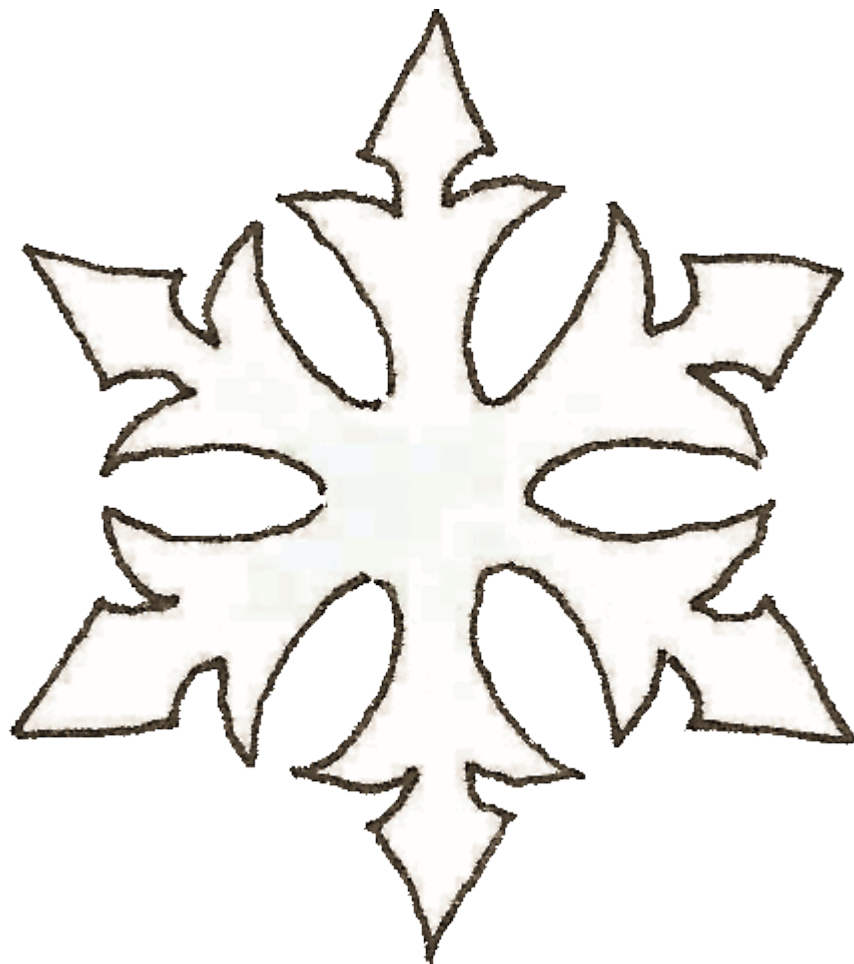

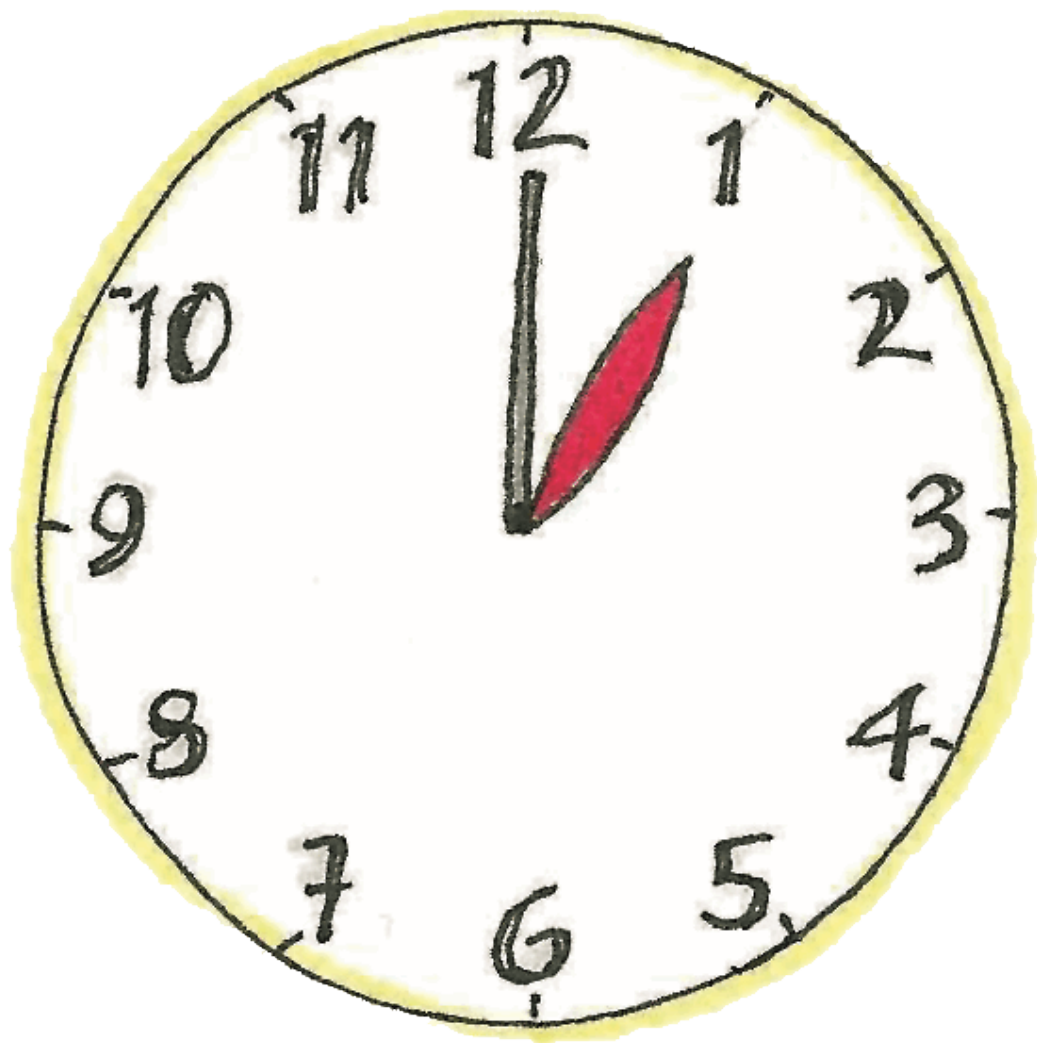

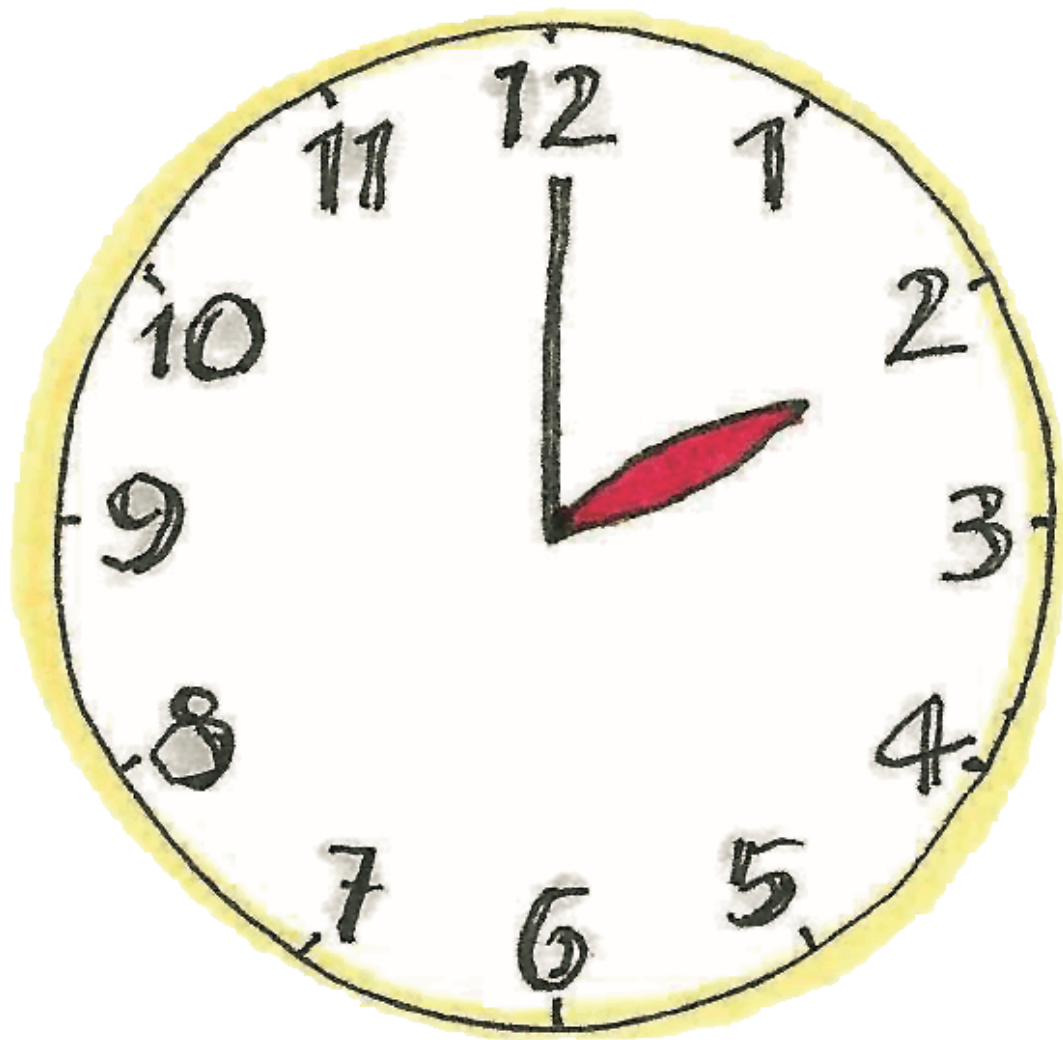

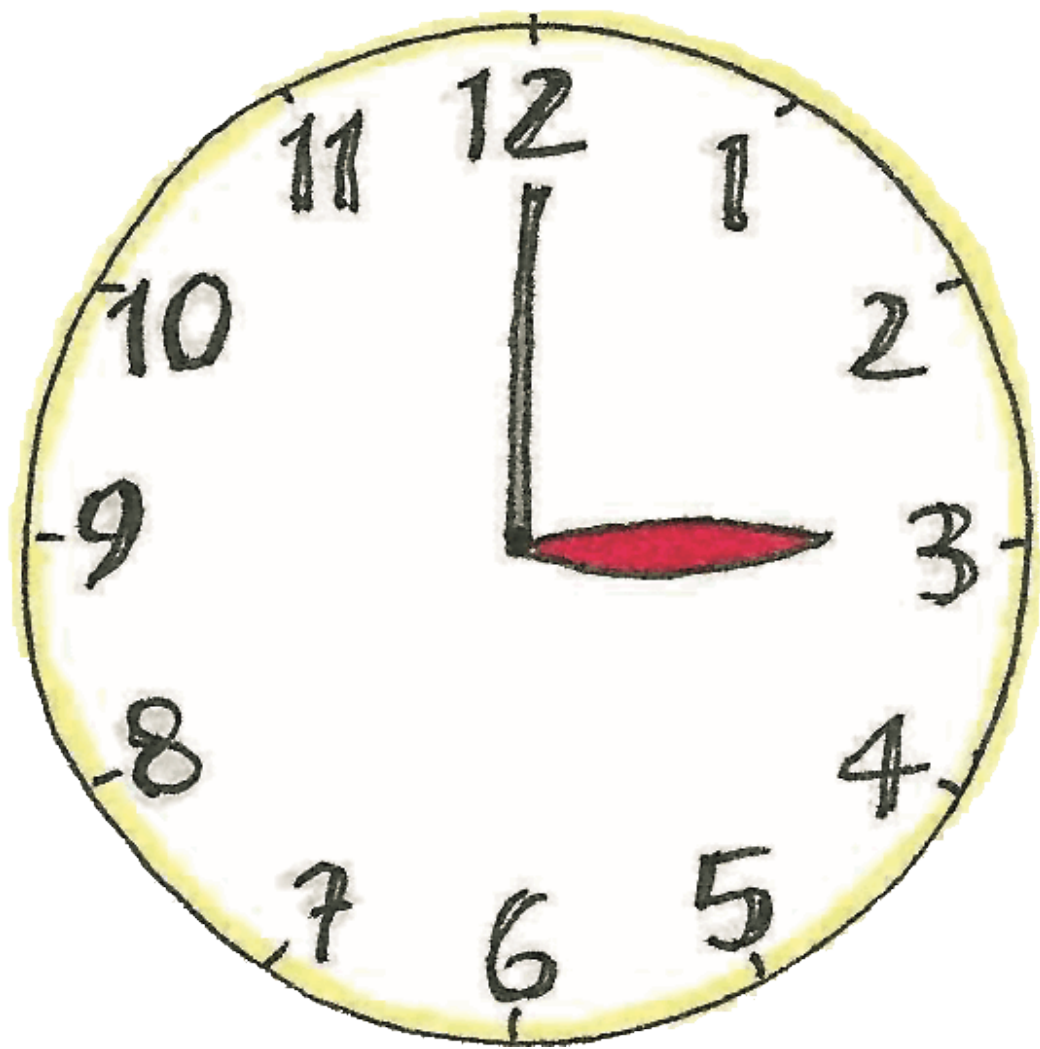

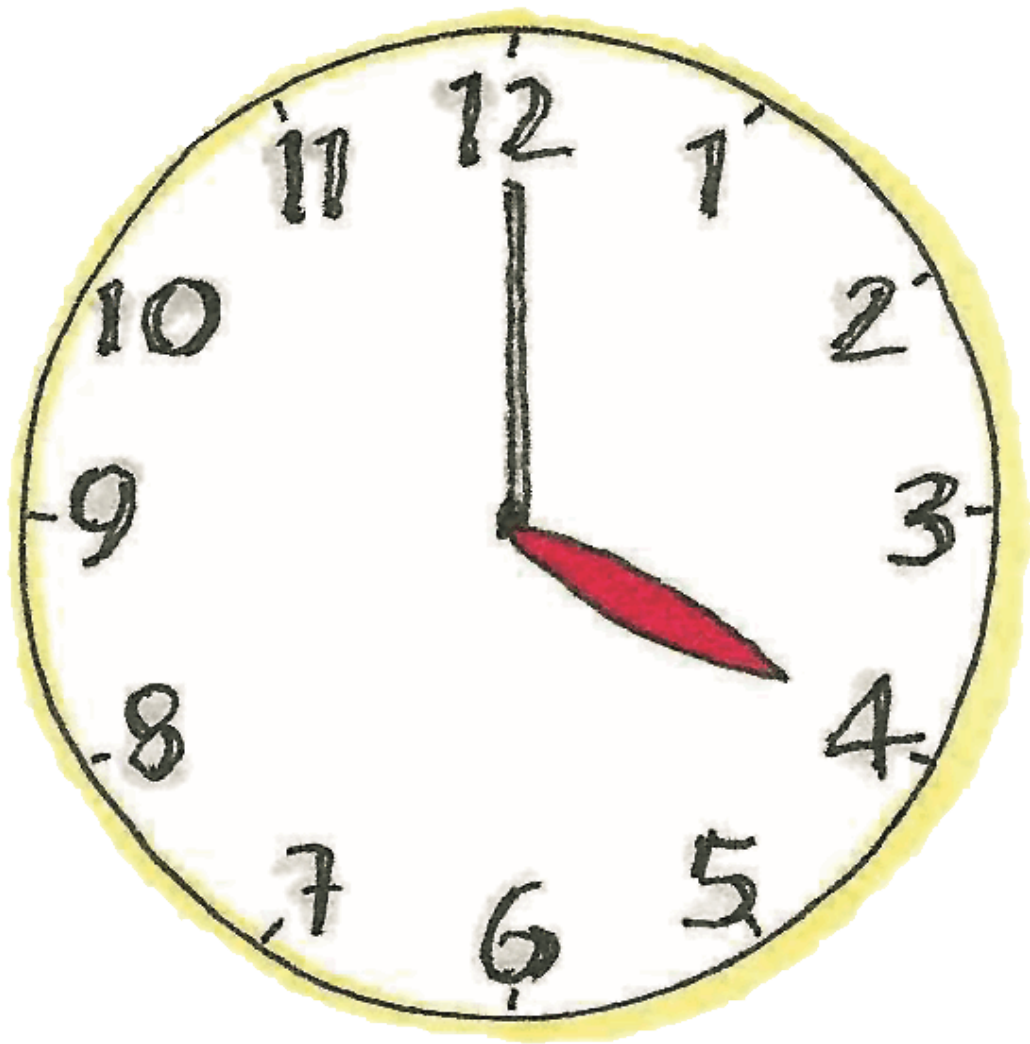

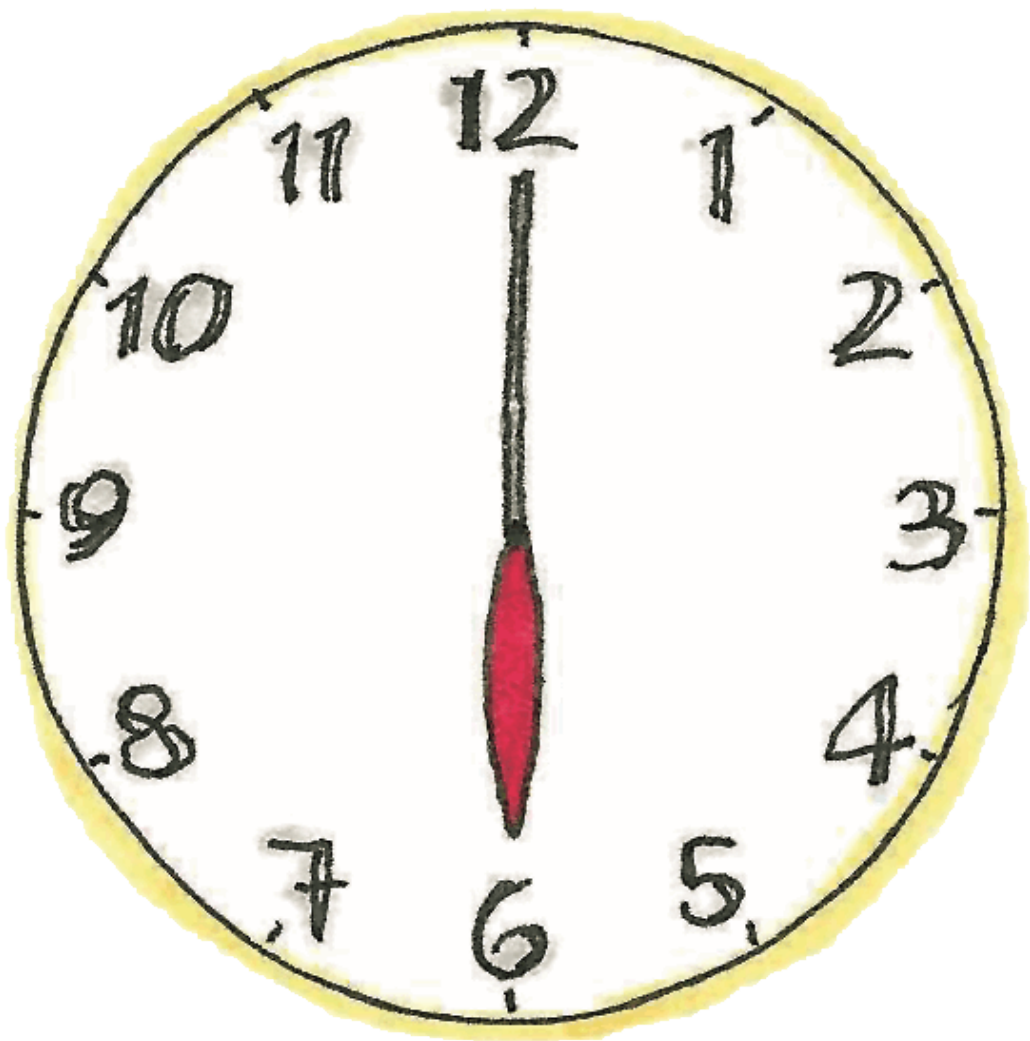

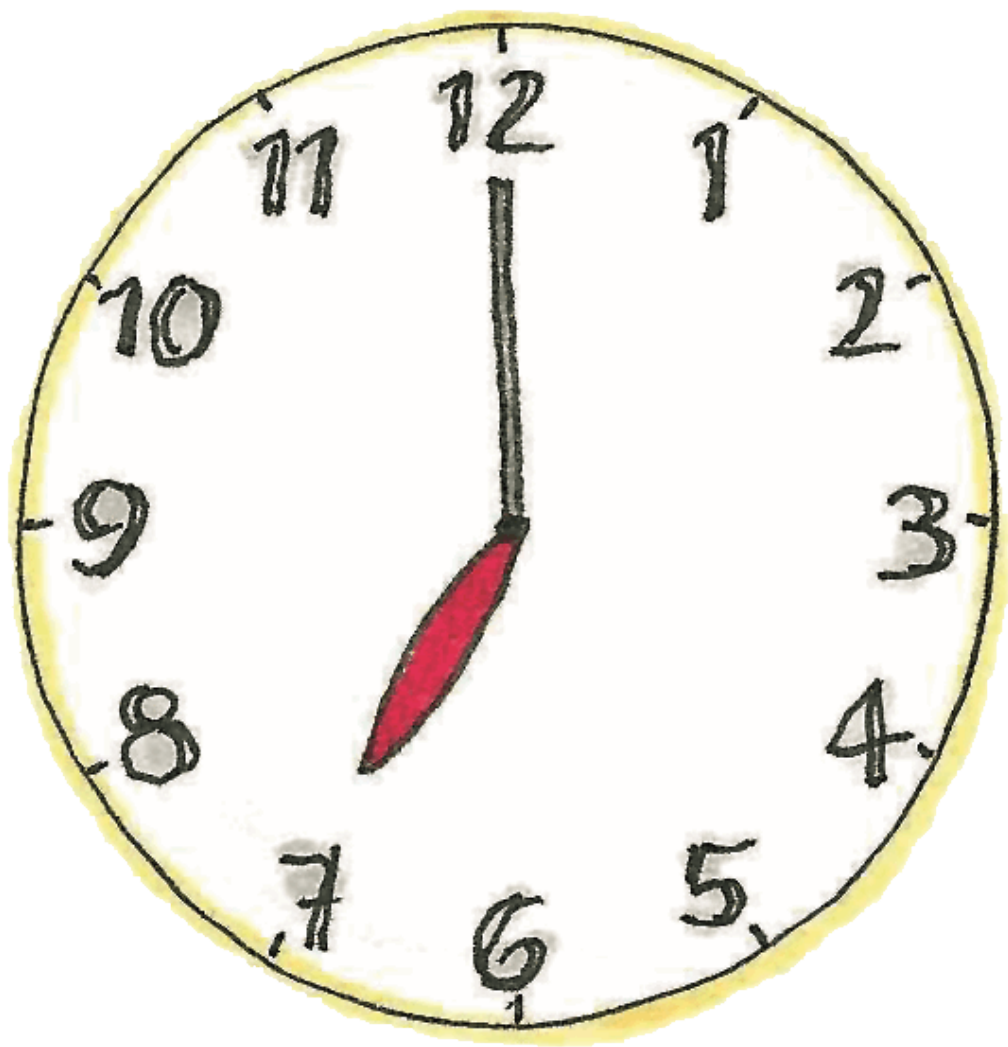

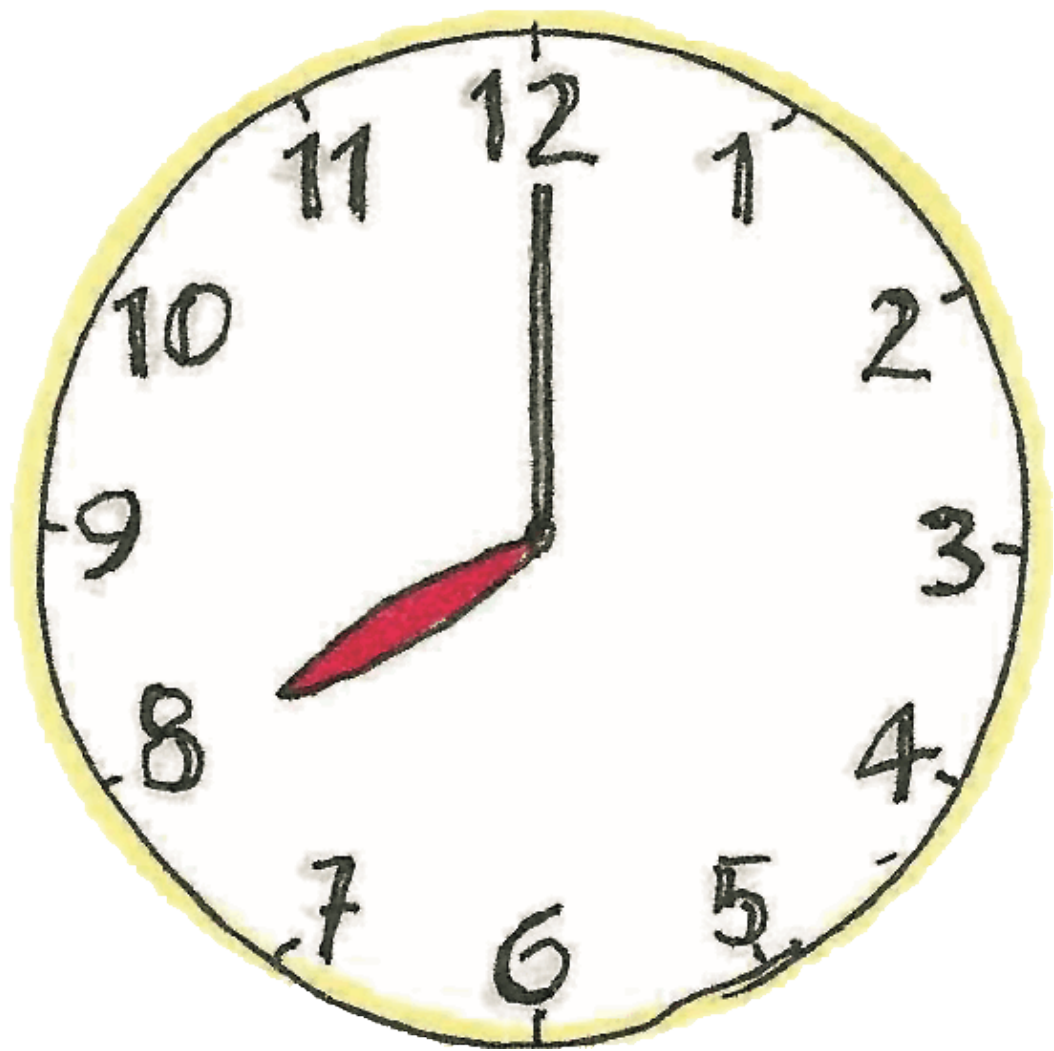

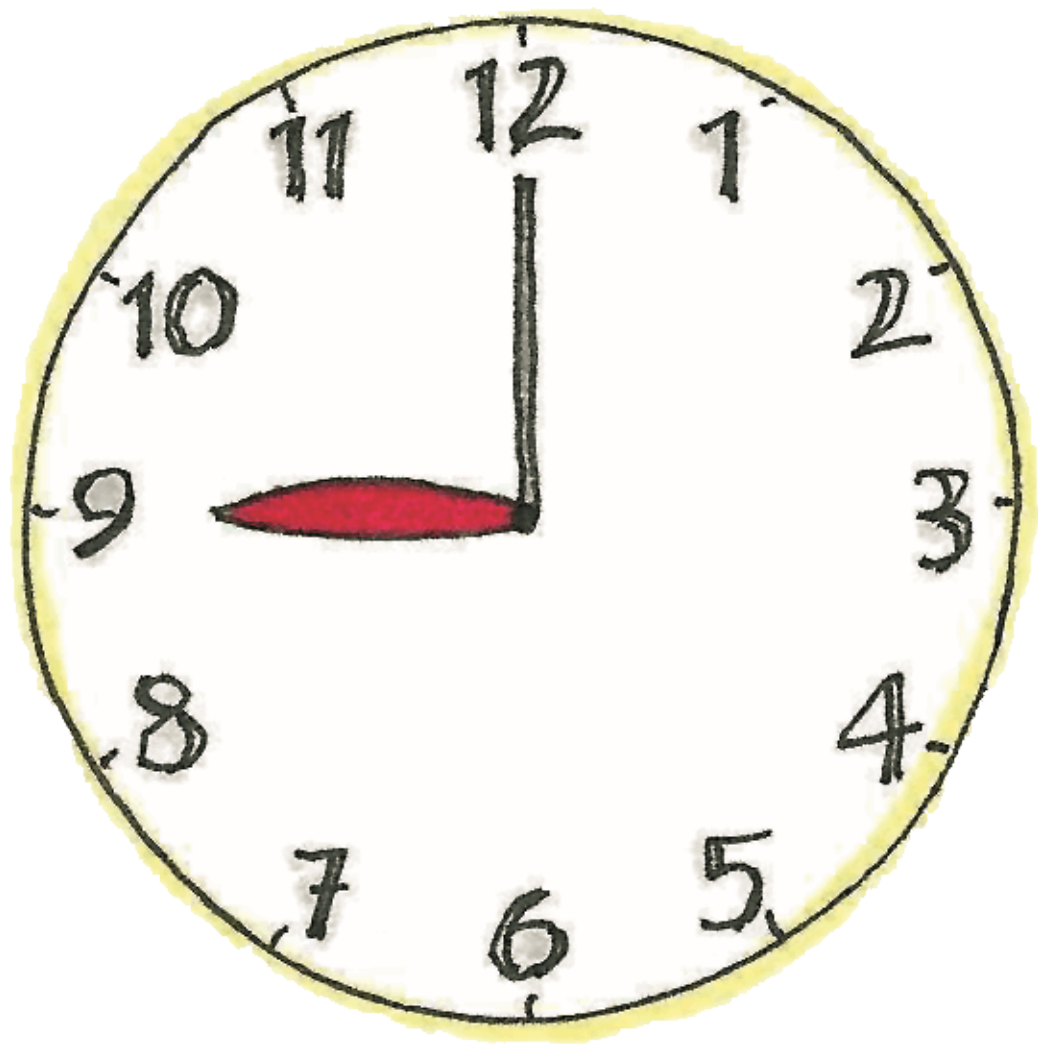

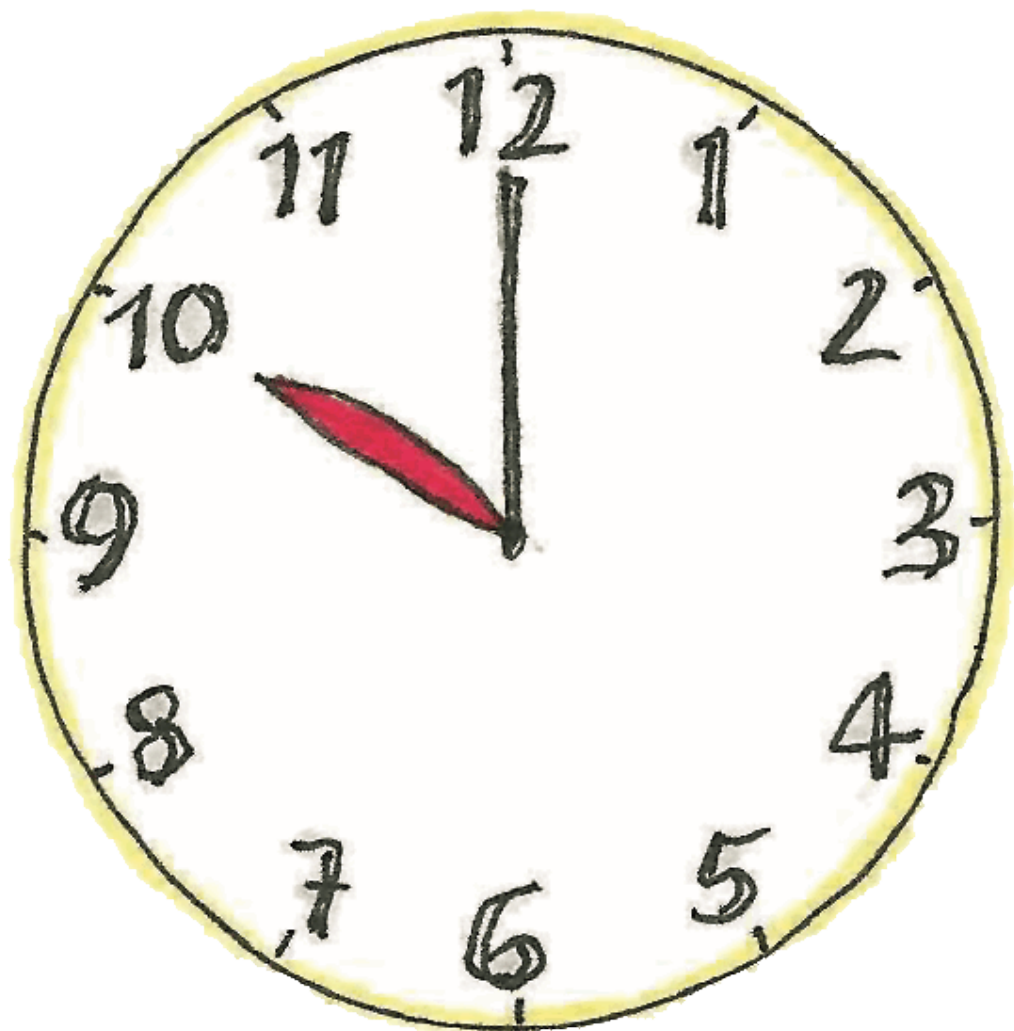

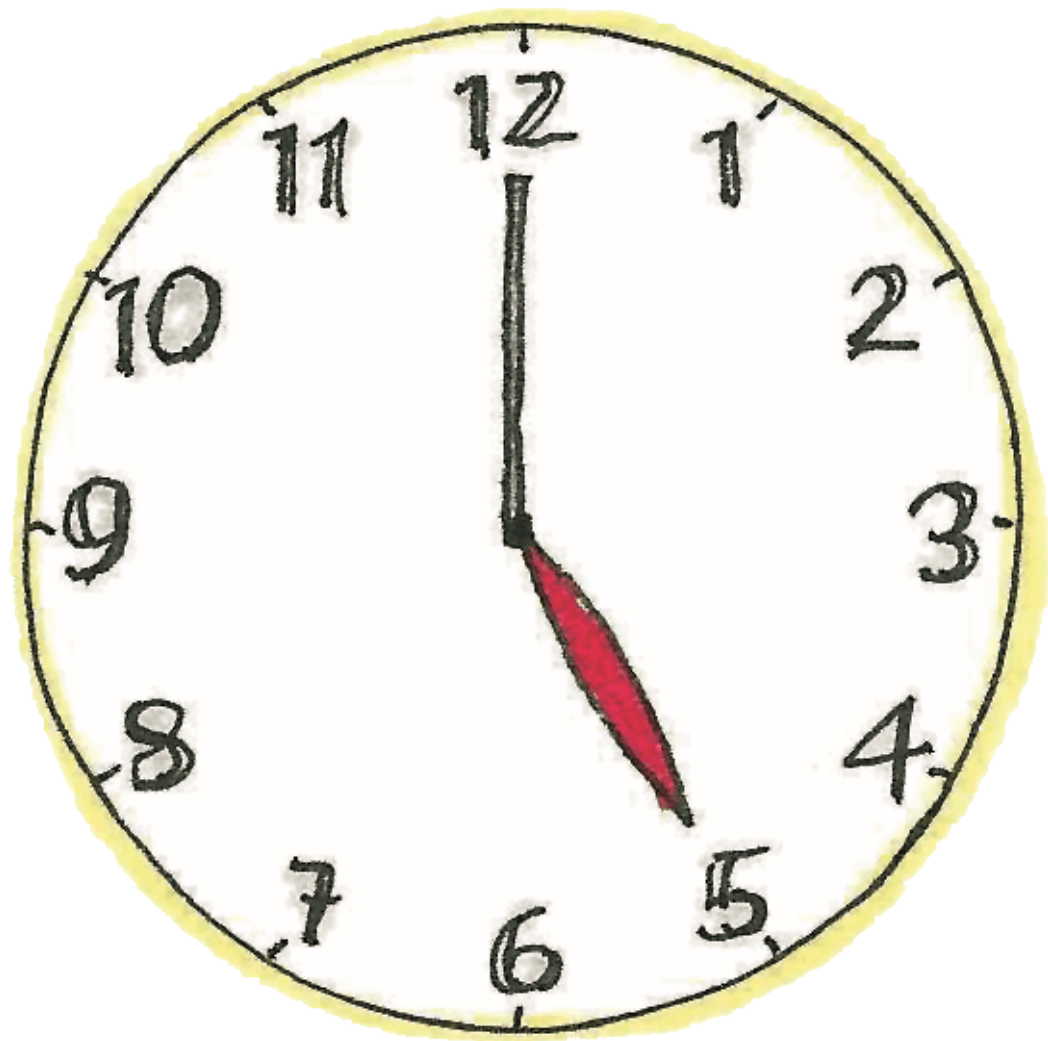

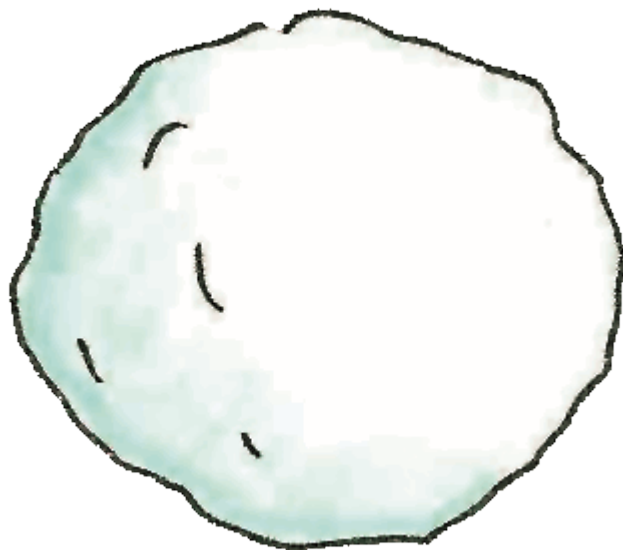

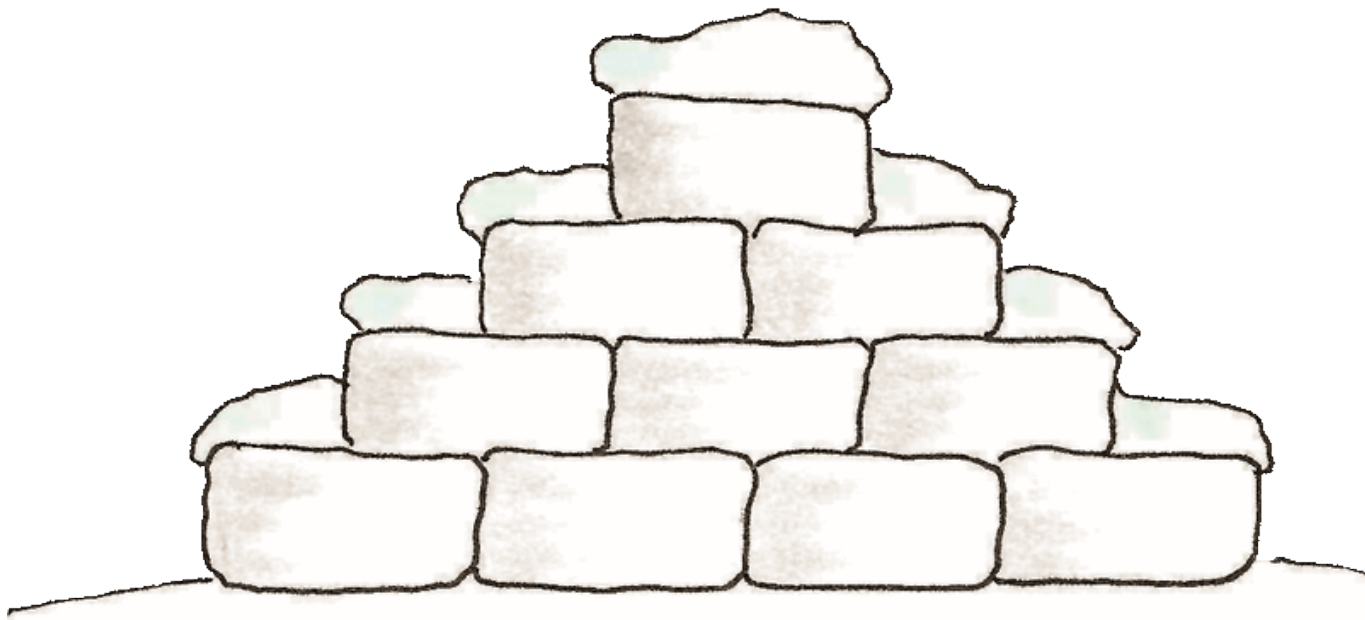

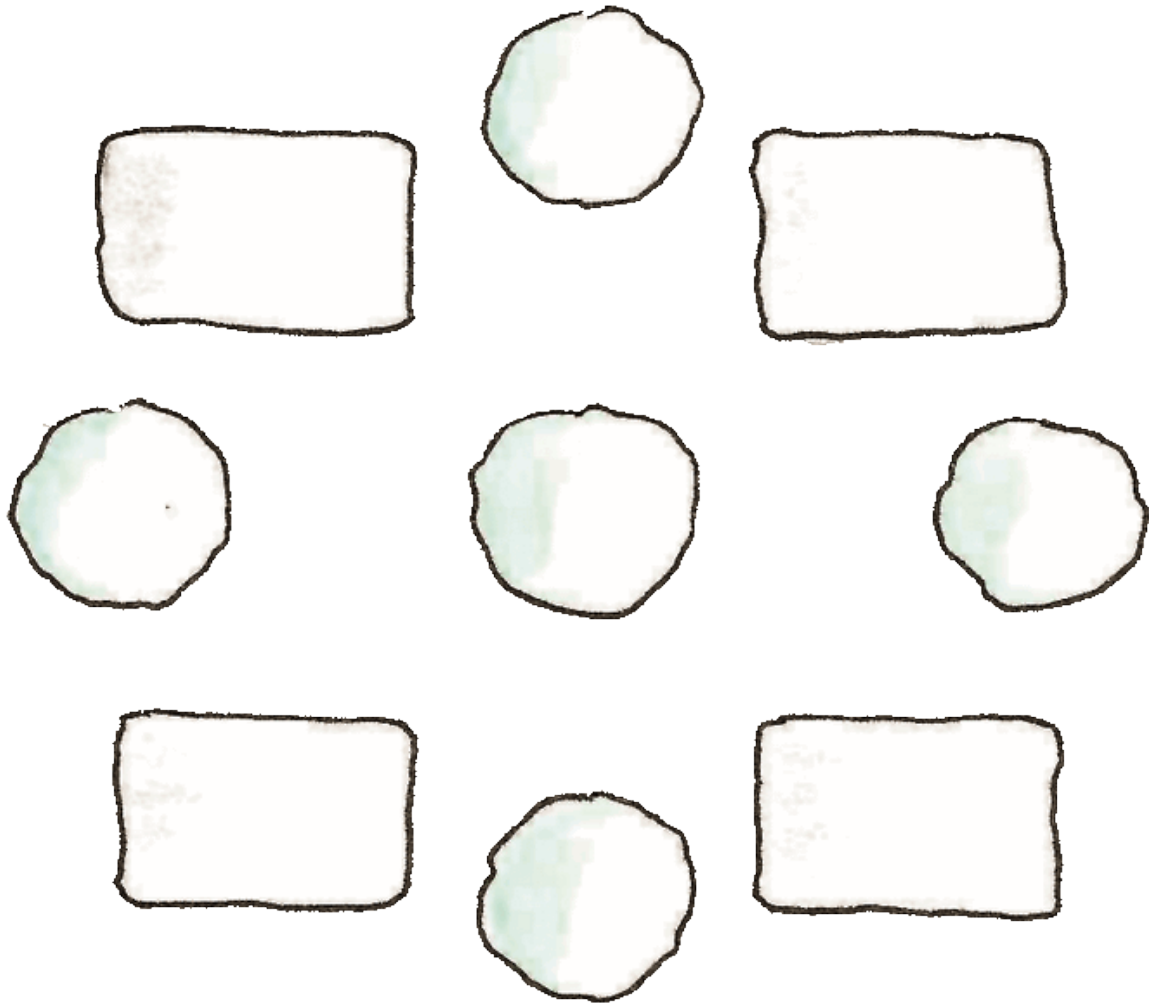

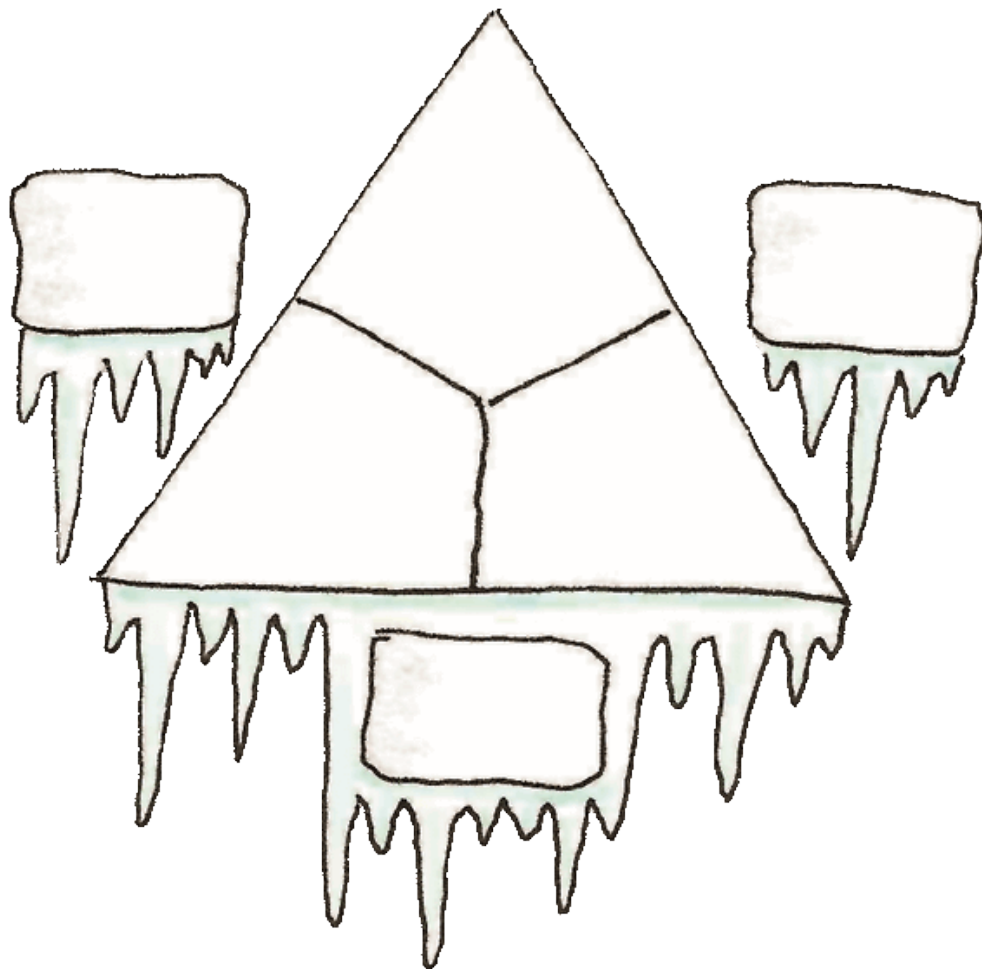

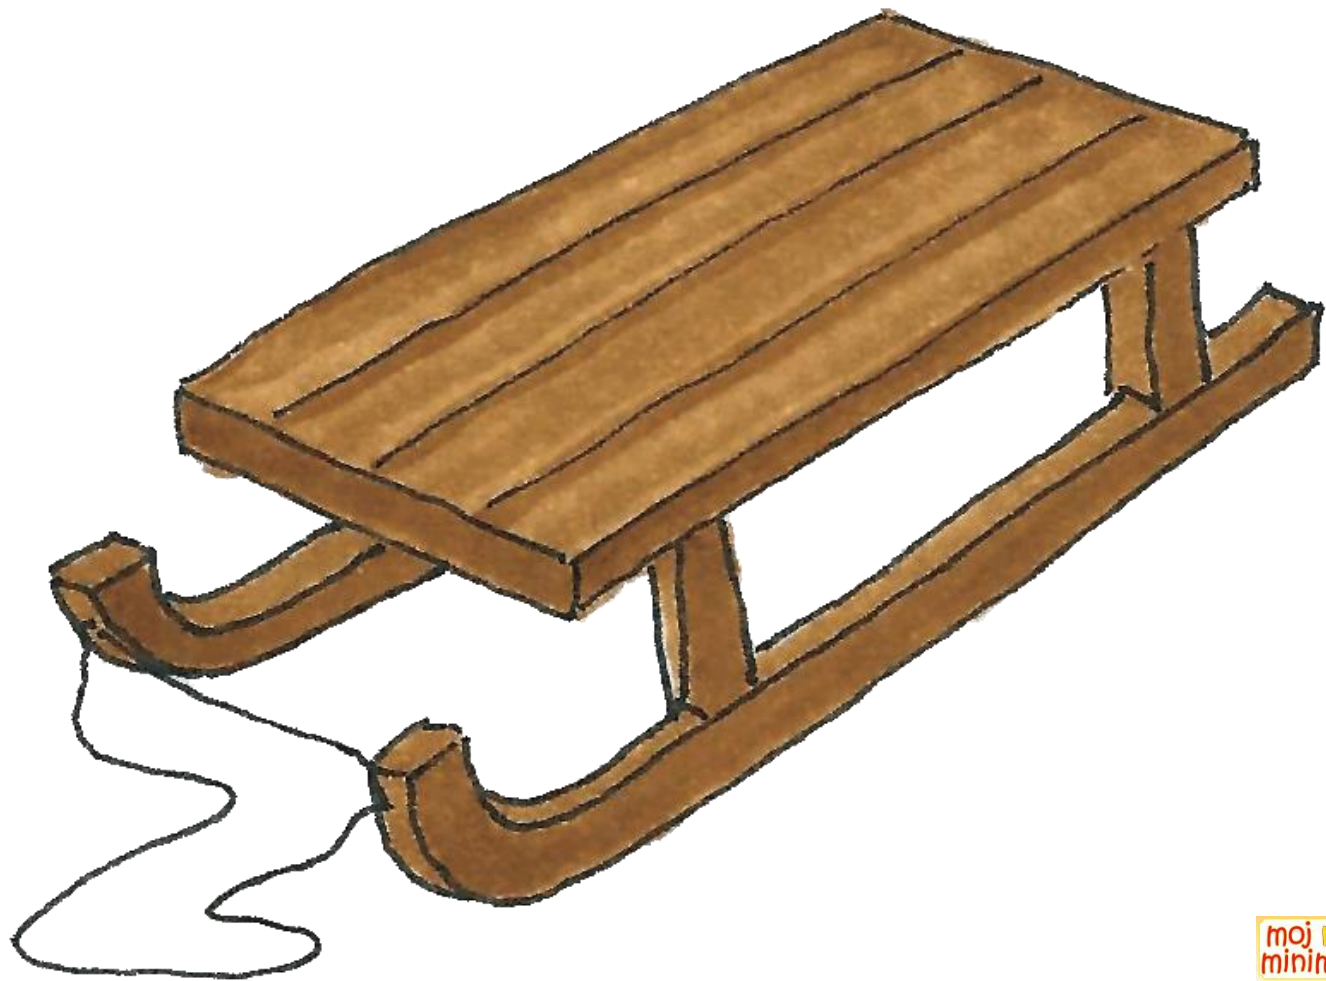

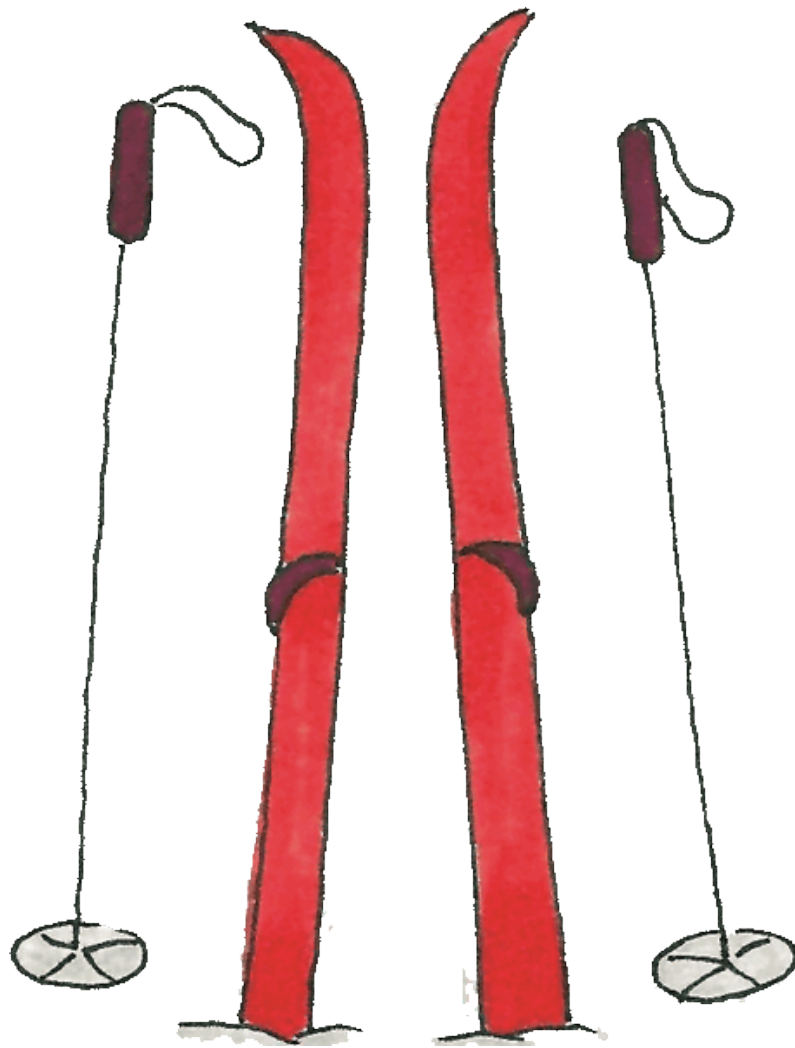

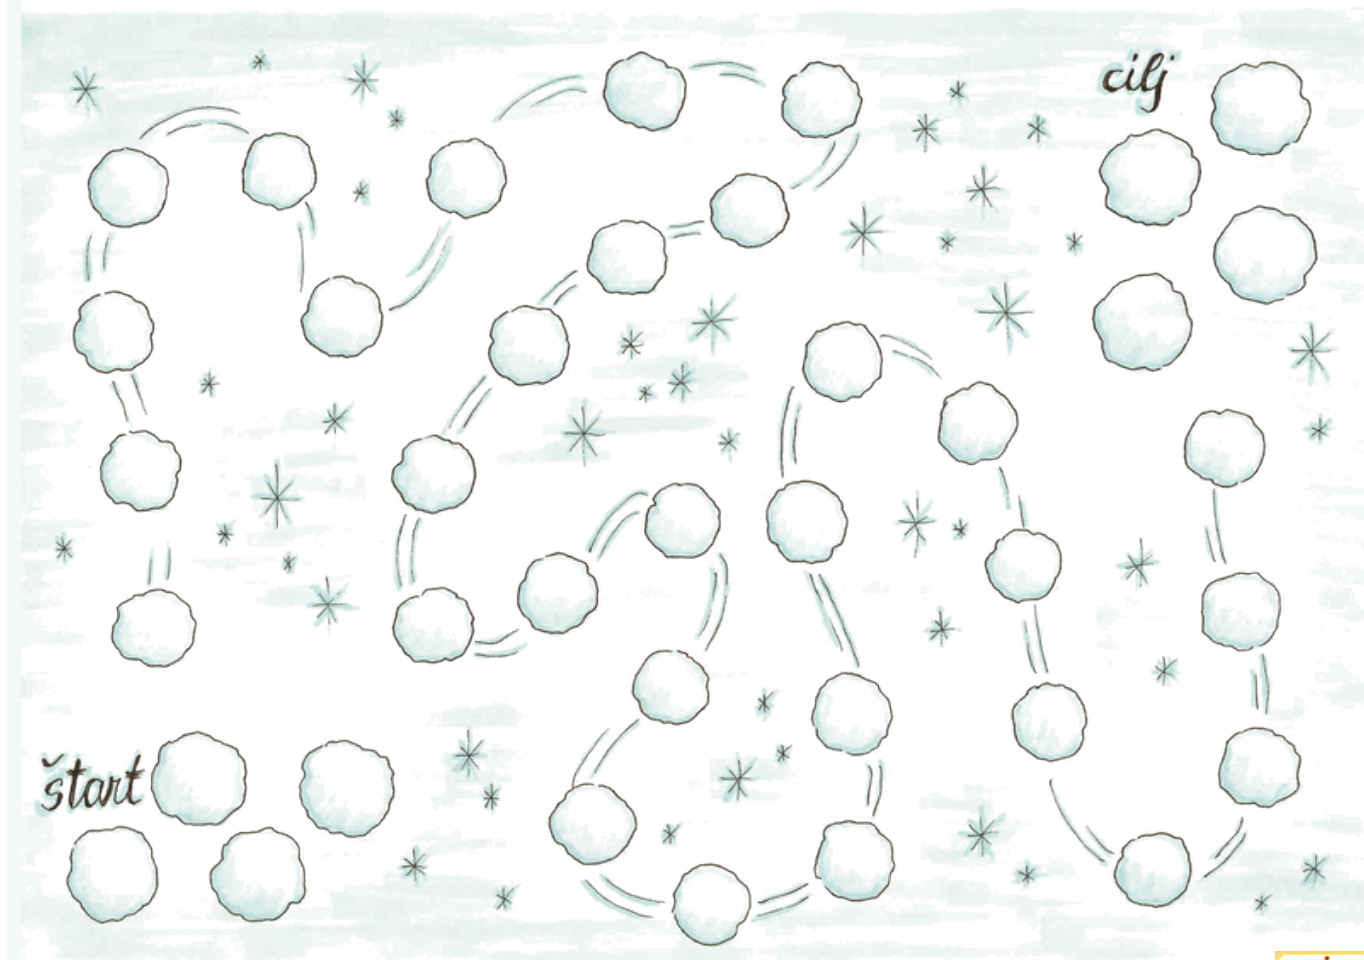

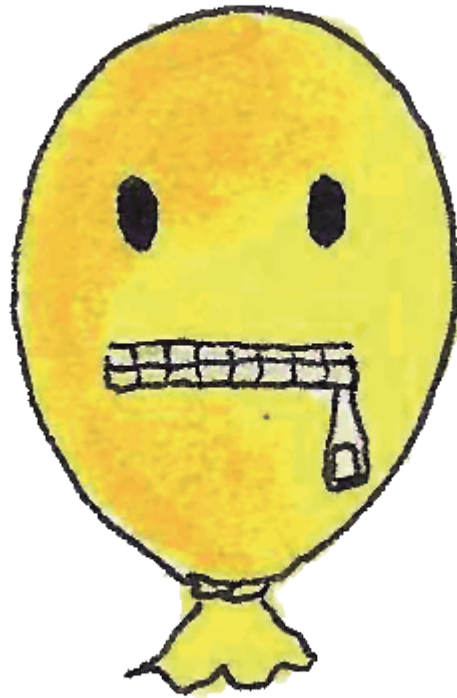

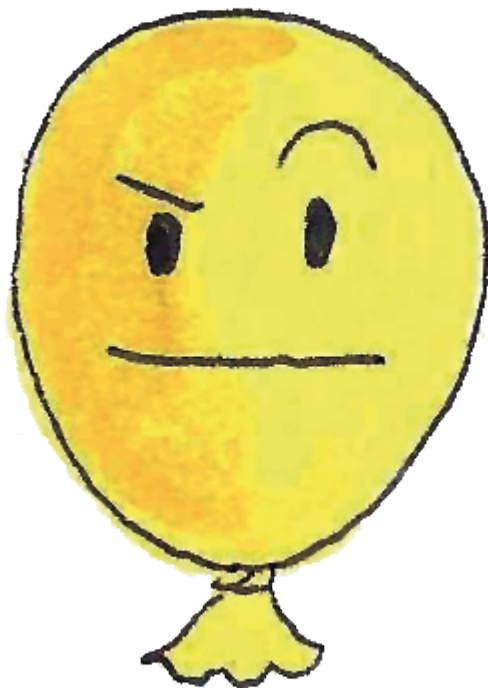

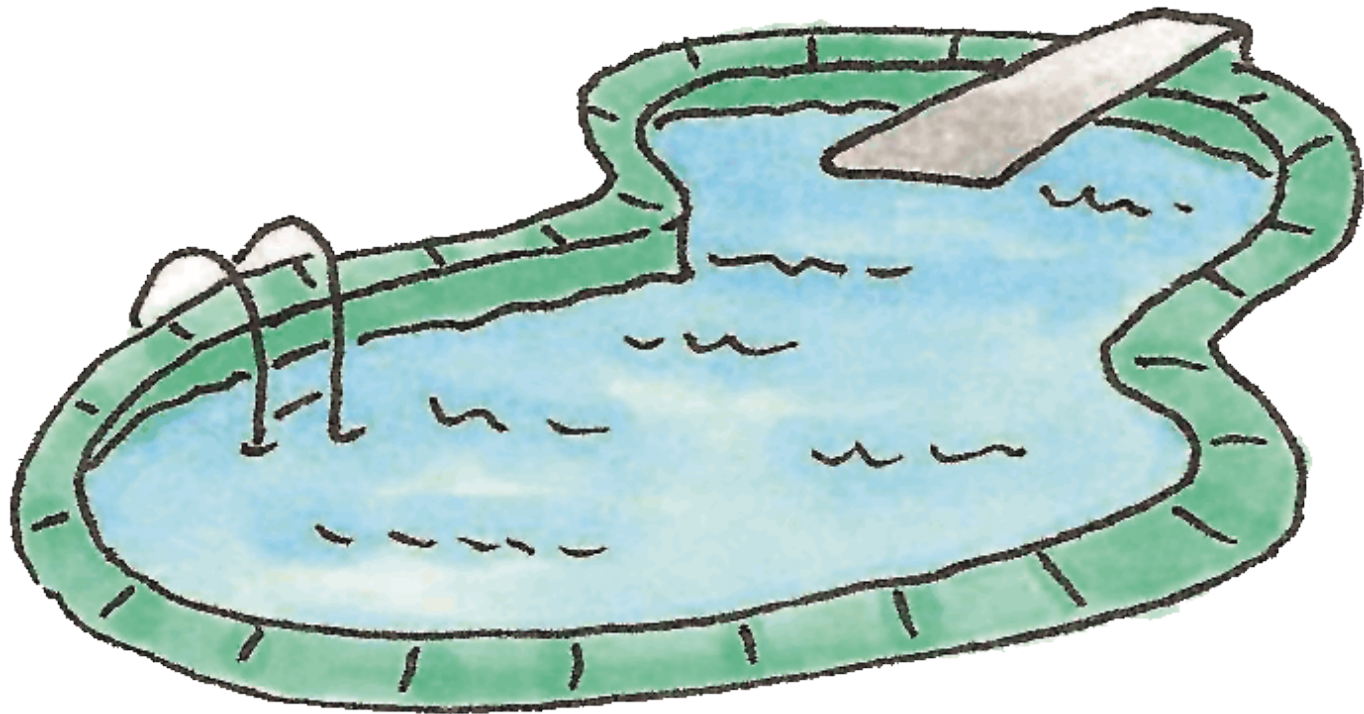

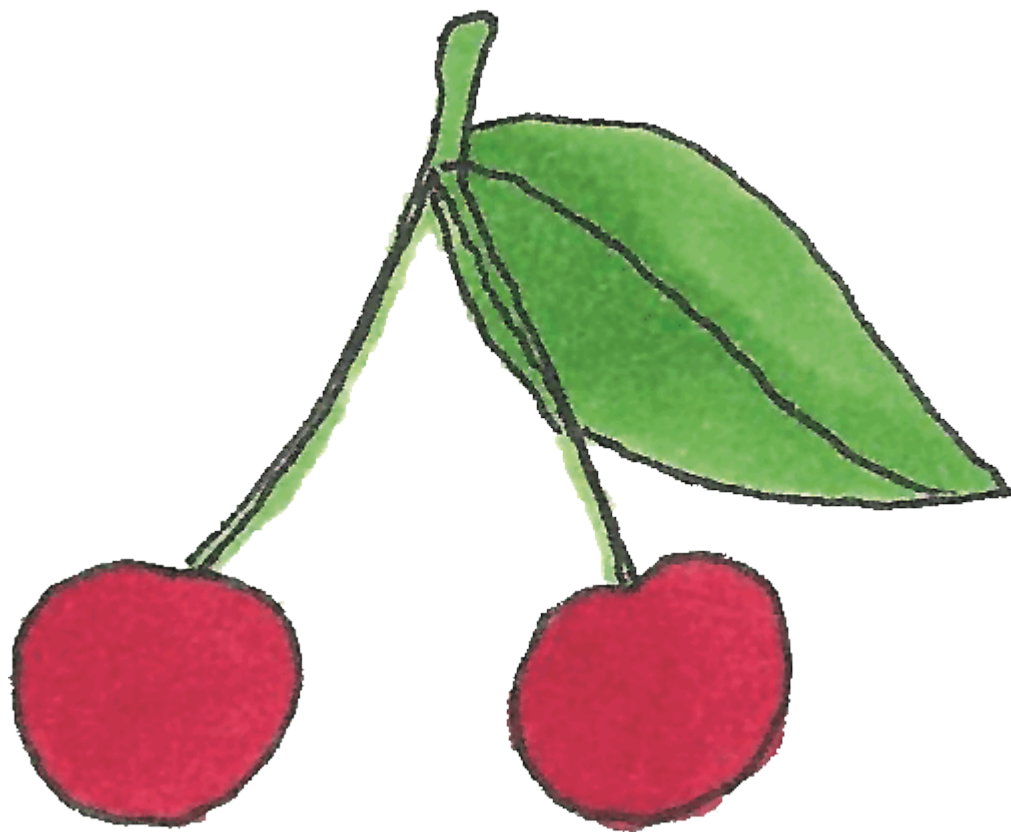

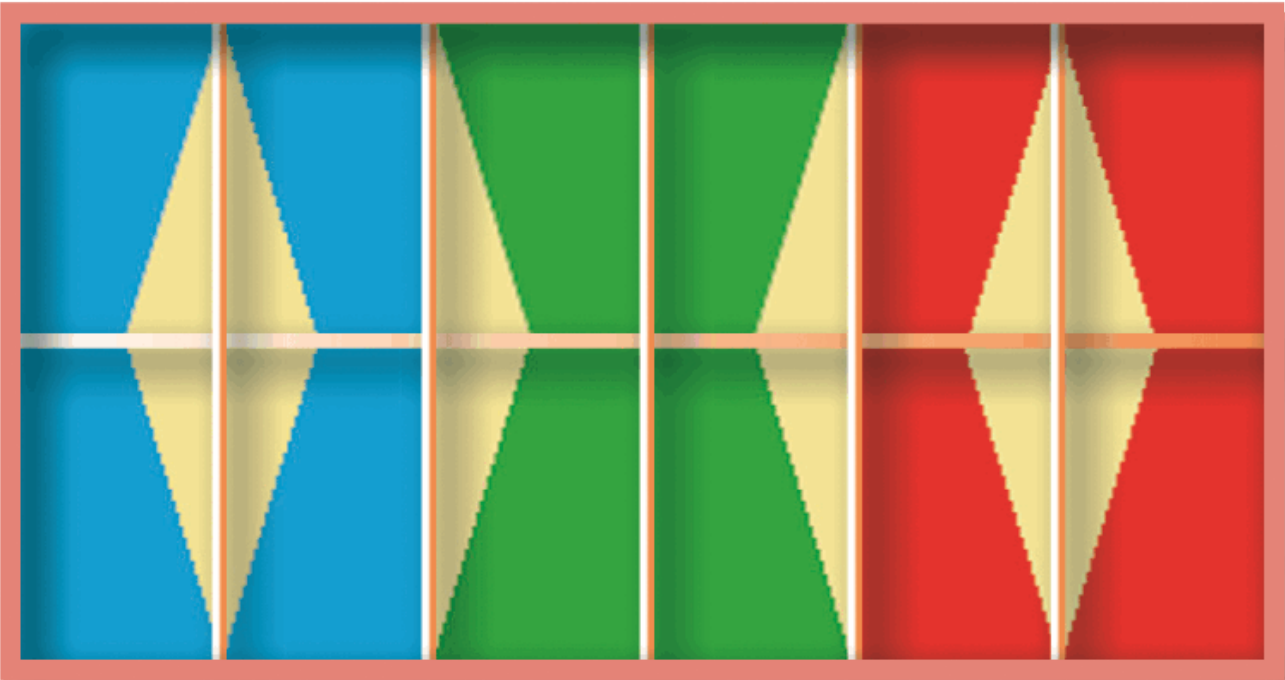

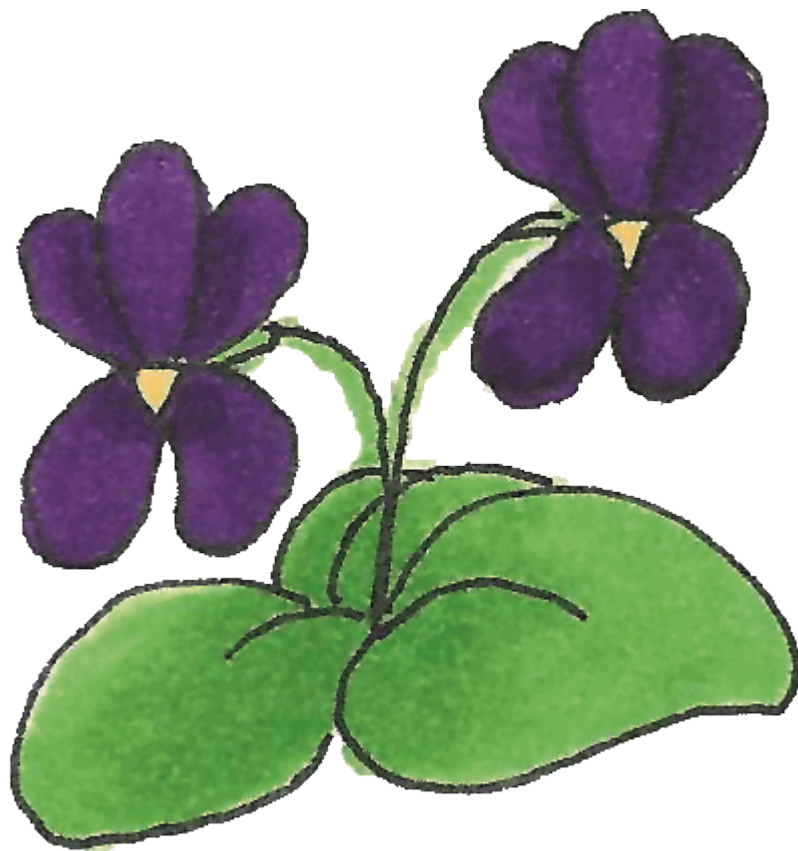

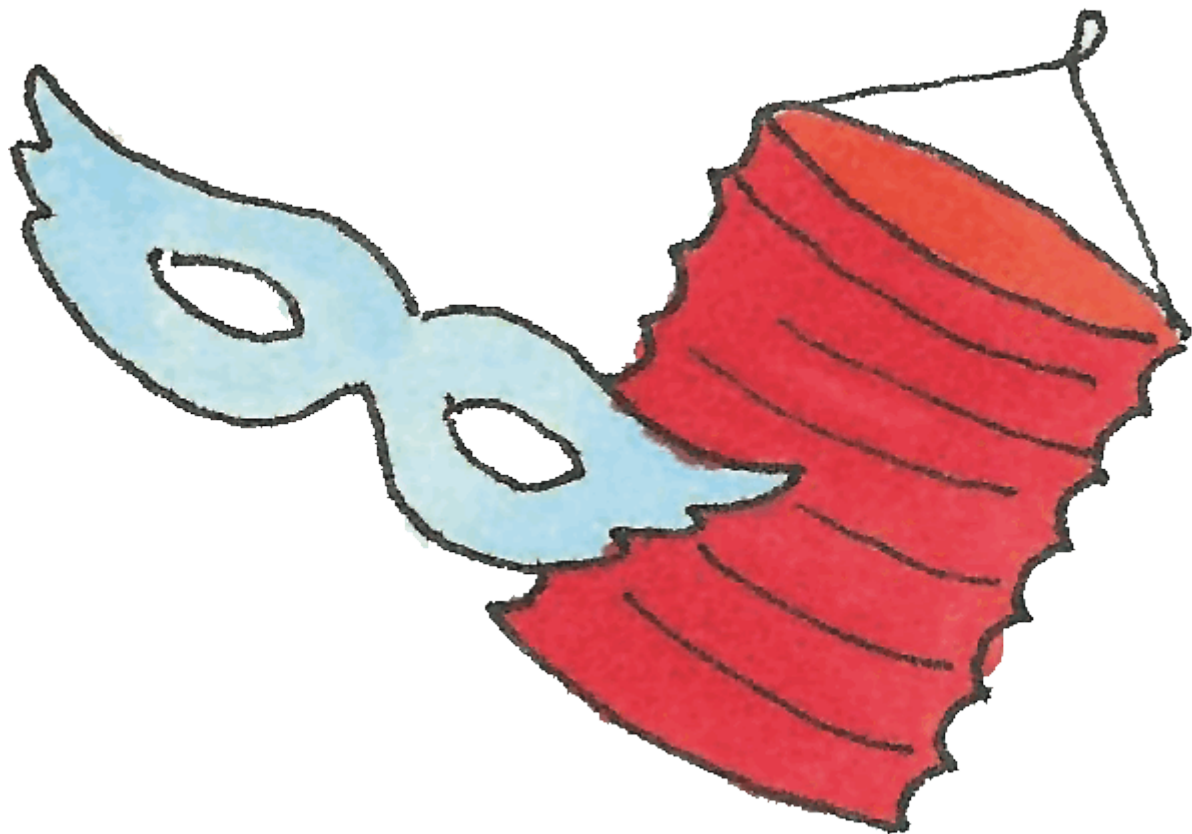

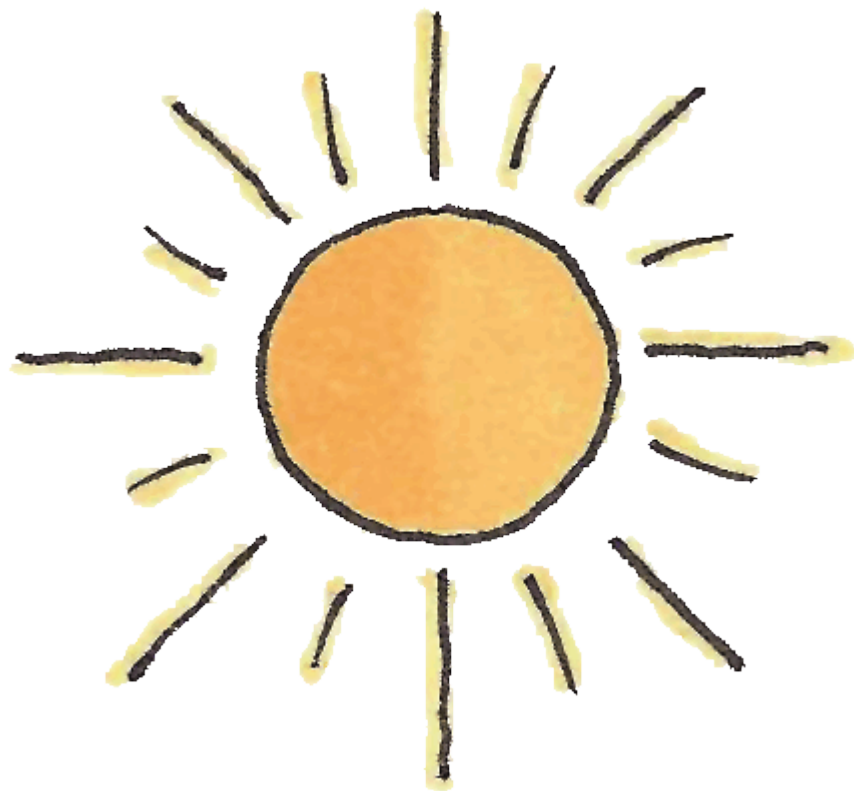

## Istočna granica Gradišća

## Odenburger, wollt Ihr allein bei Ungarn bleiben?

Das Burgenland ist schon von den Österreichern besetzt.  
Mattersdorf, Schattendorf und Mörbisch im Norden, Pamhagen  
und Walka im Überseegebiet und Deutschkreuz und Nikitsch im Süden  
ist schon im dauernden österreichischen Besitz.

Nur Odenburg soll durch die Abstimmung entscheiden, ob es zu  
Österreich oder zu Ungarn gehören soll.

Kann Odenburg mit den 9 Umgebungsgemeinden allein bei Ungarn  
bleiben?

Nach Steinamanger und Raab werden wir den Wein nicht ver-  
kaufen können!

Von dort werden nie Käufer nach Odenburg kommen!

Rings um uns herum würde uns die österreichische Zollgrenze ab-  
sperrern. In kurzer Zeit würde in Odenburg alle Wirtschaft zu Grunde  
gehen und die Stadt würde zu einem Dorfe herabsinken.

Macht die Augen auf, Odenburger!

Erkennt das uns drohende Schicksal!

Wir können uns nur retten, wenn wir geschlossen **für Österreich**  
**stimmen!**

Odenburger Wirtschafts-  
bürger u. Geschäftsleute.
